

# ULTIMATE *Wedding Reception* Checklist

First things first, you found your spouse-to-be... **CONGRATULATIONS, you're getting married!** But now what, right? Well, that was the hard part - planning your reception shouldn't be!

Everything you've so carefully added to your Pinterest board all comes down to this one perfect day (*but we all know the real fun happens after the ceremony!*)

Planning a successful reception can be a major headache if it's not handled with care and without the right people by your side. That's why we put together the Ultimate Wedding Reception Checklist to be your guide!

## Choose a Location

This will be your starting point. The special place that will hold some of your favorite memories. The perfect location will have it all!

## Wedding Cake

If you and your partner can decide on a flavor, you'll have your cake and eat it too! Plus, everyone loves wedding cake.

## Flowers

The mood of the day is beautiful and bright- so decorate accordingly! Flowers make for a classic centerpiece, leaving the space feeling fresh.

## Food

The best part of getting married is sampling food for your reception, right? What will you choose?

## Drinks

Cheers! This is the happiest day of your life after all.

## Music

Because all the best dance moves come out at the reception- especially when you play the Cupid Shuffle.

## Timeline

Keep your guests in the know by providing a play by play of the night. Cocktails at 5- be there!

## Tables & Chairs

Your guests will need somewhere to lounge when they're taking a break from all the dancing!

## Lodging

Not everyone will have the luxury of living nearby, so be sure there is a place for your guests to rest after a long day of celebrating you! And having on-site lodging is your best bet to avoid worrying about transportation after the festivities!

When you book at **Drury Plaza Hotel in Cape Girardeau**, we'll help you knock this list out, one by one! We will even give you your very own sidekick to help you take it on - one of Drury's very talented and knowledgeable event coordinators.

We know just how important this day is to you and will be for the rest of your life. We promise to make sure even the tiniest of details is absolutely perfect and just the way you'd always imagined!

**Bottom line, after you're hitched, we'll make sure your reception goes off without a...hitch!**
